Deputy Assistant Director for Operations

Establishment of Welfare Fund for FBIS London Bureau Employees

1. Attention is directed to the attached request from Chief, London Bureau, requesting approval for the establishment of a welfare fund for London employees from the proceeds of the sale of furniture presumably purchased and later abandoned by members of the staff resident at the cooperative billets at 32 Peppard Road, Caversham.

2. It is recommended that the establishment of such a fund by this means be approved subject to any restrictions which you may desire to place on the administration of it.
